

# Ride the Wild Surf (Instrumental)

Jan & Dean

In Hawaii there's a place known as Waimea Bay  
Where the best surfers in the world come to stay  
And ride the wild surf they come to try  
To conquer those waves some 30 feet highRide, ride, ride the wild surf  
Ride, ride, ride the wild surf  
Ride, ride, ride the wild surf  
Gotta take that one last rideSurf fever brings them here to meet the test  
And hanging round the beach you'll see the best  
They're waxed up and ready just waiting for  
The surf to build up on the northern shoreRide, ride, ride the wild surf  
Ride, ride, ride the wild surf  
Ride, ride, ride the wild surf  
Gotta take that one last rideLined up and waiting for that next big set outside  
Nothing can stop it 'cause you've just gotta ride, ride, ride, ride  
The heavies at the pipeline are okay  
But they can't match the savage surf at Waimea Bay  
It takes a lot of skill and courage unknown  
To catch the last wave and ride it in aloneRide ride ride the wild surf  
Ride ride ride the wild surf  
Ride ride ride the wild surf  
Gotta take that one last  
Gotta take that one last rideRide, ride, ride the wild surf  
Ride, ride, ride the wild surf  
Ride, ride, ride the wild surf  
Gotta take that one last ride
