

Waterfall (braithouse radio mix)

Brainstorm

.time stops for a while.

.water runs still.

.the river goes up the hill, up the hill.Sometimes I feel like a waterfall, like a waterfall Sometimes I feel like a waterfall, like a waterfallTime stops for a while and water runs still

No more rush, the river goes up the hillSometimes I feel like a waterfall, like a waterfall Sometimes I feel like a waterfall, like a waterfallEternal flow, this miracle gives me wings

And no one can stop me, time's just playing my stringsSometimes I feel like a waterfall, like a waterfall

Sometimes I fele like a waterfall, like a waterfall

Little Space Gods kindly watching through cloudy, stormy sky

We are children of the time machine

Who always will ask why,

.always will ask why.

We look up to the sky

To fly

To fly.
