

# Show Me

## Alina Baraz & Galimatias

Rising like the smoke  
You linger on me  
You got me so high  
I can finally breath your  
Poetries, what you do to me  
What you do, tell me  
Change me with no hands  
Hold me with your eyes  
Unwind me with your mind tonight  
Speak with no words  
Show me and I'm all yours  
Show me and I'm all yours

All that you are  
Is all that I need  
Rising like the smoke  
You linger on me  
All that you are  
Is all that I need  
Rising like the smoke  
You linger on me

You got me so high, I can finally breath your  
Finally breath your, finally breath  
You got me so high, I can finally breath your  
Finally breath your, finally breath

And I'm all yours, all yours  
And I'm all yours, show me  
I'm all yours, all yours  
I'm all yours

All that you are  
Is all that I need  
Sunset in your eyes  
Let me, with your loving  
I'm searching for the thrill  
It's you, you make me feel  
You make me feel  
Change me with no hands

Hold me with your eyes  
Unwind me with your mind tonight  
Speak with no words  
Show me and I'm all yours  
Show me and I'm all yours

All that you are  
Is all that I need  
Rising like the smoke  
You linger on me  
All that you are  
Is all that I need  
Rising like the smoke  
You linger on me

You got me so high, I can finally breath your  
Finally breath your, finally breath  
You got me so high, I can finally breath your  
Finally breath your, finally breath

And I'm all yours, all yours  
And I'm all yours, show me  
I'm all yours, all yours  
I'm all yours
