If I Could

Darius

If I had you
And you were here
If I could kiss
And wipe away your tears
If I could
How I would

If I could change
A single thing
If I could love
And touch your face again
If I could
How I would

Only the hurt remains
And only the things
We can't change
Love can be a cruel and bitter
Pill to take
If we could run
Forgive the past
If I could lay
With my head in your hands
If I could
How I would

If I could live
Without regret
Turn a page
Pretend we never met
But you know
I can't let go
Only the hurt remains
And only the things
We can't change
And only the pain of the heartbreak
Love can be a cruel and bitter
Pill to take
