

# Swim and Sleep (Like A Shark)

## Unknown Mortal Orchestra

I wish that I could swim and sleep like a shark does  
I'd fall to the bottom and I'd hide 'til the end of time  
In that sweet cool darkness  
Asleep and constantly floating away I wish that I could break and bend like the world does  
I'd fall to the bottom and I'd chase all my dreams away  
And I'd let you crush me  
My dreams would be constantly melting away I wish that I could swim and sleep like a shark does  
I'd fall to the bottom and I'd hide 'til the end of time  
In that sweet cool darkness  
Asleep and constantly floating away
