

He Couldn't Kiss

Jhene

Uh yeah
Uh what what wha-what?
Yo yo yo drop it
Yeah come on wha-what?
Uh bounce
Uh uh
Uh uh uh uh uh uh uh
Yo yo yo yo yo
What yeah come on
We passed each other in the club
And i noticed that he was checkin me
I hope he get the nerve to push up
Or maybe even dance with me
We didn't dance but we got to talk (Got to talk)
Before I knew it girl we hit it off (we Hit it off)
I didn't know it would happen so quick
And out of no where came a kiss
Ooh dang
He was cute and all
But girl I tell ya
He just couldn't kiss at all
Wish I had've known before I took the fall
You can't judge a guy just by his looks at all
He couldn't kiss at all
From the jump he had it goin on
I knew that he had everything I need
I wanted to be down because
It seemed like he was right for me (oh)
We didn't dance but we got to talk (Got to talk)
Before I knew it girl we hit it off (Hit it off)
I didn't know it would happen so quick (Happen so quick)
And out of no where came a kiss (Oh)
He was cute and all
But girl I tell ya
He just couldn't kiss at all
Wish I had've known before I took the fall
You can't judge a guy just by his looks at all
He couldn't kiss at all

But girl I tell ya
