## Crest of Darkness

This is the cup of my blood  
This is the cup of eternal life  
Rise your hate against God,  
and follow the way!  
Blessed are the sinners to me  
Kingdoms are falling, but we do succeed!  
Open your eyes and see  
- The world of darkness is meant to be! Drink the blood!  
The blood is life!  
Drin the blood and listen to  
the jaws of the wolf! Drink the blood! I'll make your life complete  
I'm placing my lips against your neck  
You're feeling the touch of cold meat  
Cold meat!  
I'll take your fear away  
I'll always be your devoted friend  
You know it's the end of the day  
You know you've seen your last sunrise Drink the blood!  
The blood is life!  
Drin the blood and listen to  
the jaws of the wolf! Drink the blood! What do you have inside?  
Open your heart and feel the lust  
There's no reason to hide  
You are invincible!  
Where have you always been?  
I know the answer  
- We both know the truth  
Life is just as a dream  
on the way to the Kingdom of Death! Drink the blood!  
The blood is life!  
Drin the blood and listen to  
the jaws of the wolf! Drink the blood!
