You

Peter Frampton

All these years that I've been searchin'
Lost in the shadow of self doubt
Never knowin' where to run to
Tryin' to figure it all out
There were times but they didn't last
They say it's my stupid pride
I built a wall around my heart
Kept it all, all inside, hey
Then you, oh you came to me
Yeah, you set me free
Cryin' out but no one hears me
Disappears in the wind
I hear these voices inside of me
Echoing the soul within
There were times when I could remember
How it feels when things are right
There's no hope for the future
When there's no love in sight
And you, baby, you came to me
And you, oh you set me free
We walk this path together
May our aim stay
Hold on to the passion
There's only one way to go
Don't have to force it
Just let, let the love grow, watch us
You, oh you came to me, came to me
And you, oh you set me free, baby, baby
I, oh I still can't believe, oh yeah
That you, you, you came to me
