Black Diamonds

Therion

Red Dragon burning again and dragging down stars
And fallen angels down from the heavens to the newborn world
To fulfill the prophecy and be the force to seeRed Dragon flying now and casting down stars and ancient angels
Down from the heavens to the burning Earth to fulfill the prophecy
And be the force in man once again as it was in the beginningThe diamonds glimmering in the darkness to be the stars in the night
Black Pearls will shine so bright of the draconian might
