

# Black Diamonds

## Therion

Red Dragon burning again and dragging down stars  
And fallen angels down from the heavens to the newborn world  
To fulfill the prophecy and be the force to see Red Dragon flying now and casting down stars and ancient angels  
Down from the heavens to the burning Earth to fulfill the prophecy  
And be the force in man once again as it was in the beginning The diamonds glimmering in the darkness to be  
the stars in the night  
Black Pearls will shine so bright of the draconian might
