Body Language

Fizzing out slowly
Sitting on your sofa
Takin' all showers
Settle down, settle down, my love
Makin' up your mind
If you'll need another
But we visit [?]
Ahhh, ahhh, ahhh, ahhh
Say
Ahhh, ahhh, ahhh, ahhh
I wish you had a reset, reset
Reset, reset
Reset, reset
Reset, reset
Reset
I've been searching for ya
Since the beginning
I've got it locked in
Drowning in my mind
Can we get together?
Your eyes were bright
Now they're fading darker
I wish you had a reset, reset
Reset, reset
Reset, reset
Reset, reset
Reset
Ahhh, ahhh, ahhh, ahhh
I don't ever wanna say
Ahhh, ahhh, ahhh, ahhh
I love you down to my grave
I wish you had a reset, reset
Reset, reset
Reset, reset
Reset, reset
Reset
Ahhh, ahhh, ahhh, ahhh
Reset
Ahhh, ahhh, ahhh, ahhh

Ahhh, ahhh, ahhh, ahhh
