Swim

GROVES

Speaking what's on your state of mind
Just to limit the good times.
Look at the bigger picture.
Guided by the kind of love you don't change for.
We say it's in our nature.
I just wanna swim
I just wanna swim with you
I just wanna swim

But I can't tell you why
I can't tell you why
We let enormous little things come between our will to dream
Cause I can't tell you why.

Spent all my money returned empty handed.
Blame it on nothing.
Look at the bigger picture.
Take all your worries and float them away. Run to the ocean.
That's where you said to meet ya.

We're getting lost on borrowed time. We ask ourselves, can I get found? We played along to see the day, forever long. To live again.

I just wanna swim
I just wanna..

But I can't tell you why

In my eyes this isn't wrong.
I can't tell you why
It took a life to get it right.

I just wanna swim
I just wanna swim with you
I just wanna swim
But I can't tell you why
I can't tell you why

We let enormous little things come between out will to dream
But I can't tell you why

This isn't wrong
In my eyes I see the truth
Cause I can't tell you why.
