Why does it feel like night today?
Something in here's not right today
Why am I so uptight today?
Paranoia's all I got leftI don't know what stressed me first
Or how the pressure was fed
But I know just what it feels like
To have a voice in the back of my headIt's like a face that I hold inside
A face that awakes when I close my eyes
A face watches every time I lie
A face that laughs every time I fall(And watches everything)
So I know that when it's time to sink or swim
That the face inside is hearing me
Right underneath my skinIt's like I'm paranoid lookin' over my back
It's like a whirlwind inside of my head
It's like I can't stop what I'm hearing within
It's like the face inside is right beneath my skinI know I've got a face in me
Points out all my mistakes to me
You've got a face on the inside too
And your paranoia's probably worseI don't know what set me off first
But I know what I can't stand
Everybody acts like the fact of the matter is
I can't add up to what you canBut everybody has a face that they hold inside
A face that awakes when I close my eyes
A face watches every time they lie
A face that laughs every time they fall(And watches everything)
So you know that when it's time to sink or swim
That the face inside is watching you too
Right inside your skinIt's like I'm paranoid lookin' over my back
It's like a whirlwind inside of my head
It's like I can't stop what I'm hearing within
It's like the face inside is right beneath my skinIt's like I'm paranoid lookin' over my back
It's like a whirlwind inside of my head
It's like I can't stop what I'm hearing within
It's like the face inside is right beneath my skinThe face inside is right beneath the skin
The face inside is right beneath the skin
The face inside is right beneath the skinThe sun goes down
I feel the light betray me
The sun goes down
I feel the light betray meThe sun

(It's like I'm paranoid lookin' over my back)
(It's like a whirlwind inside of my head)
(It's like I can't stop what I'm hearing within)
I feel the light betray me
(It's like the face inside is right beneath my skin)The sun
(It's like I'm paranoid lookin' over my back)
(It's like a whirlwind inside of my head)
(It's like I can't stop what I'm hearing within)I feel the light betray me
(It's like I can't stop what I'm hearing within)
(It's like I can't stop what I'm hearing within)
(It's like the face inside is right beneath my skin)
