Zipper Kids

Lower Class Brats

Right up there in front of the stage
You'll find the zipper girls
They're pissed, they're proud
Stay outta their way
Their heads are in a whirl
Livin' real life from day to day
These kids you can't unfurl
Make it a point to move aside
Watch your backs for the zipper girlsCH: We're the zipper kids
Out to brave the night
We're the zipper kids
Ain't it a beautiful sight
We're the zipper kids
Wanna start a riot
We're the zipper kids
Ain't it a beautiful sightRight up there in front of the stage
You'll find the zipper boys
They're pissed, they're proud
Stay outta their way
They're dancing to the punk rock noise
Livin' real life from day to day
These kids you can't exploit
Make it a point to move aside
Watch your backs for the zipper boys
