

# Zipper Kids

## Lower Class Brats

Right up there in front of the stage  
You'll find the zipper girls  
They're pissed, they're proud  
Stay outta their way  
Their heads are in a whirl  
Livin' real life from day to day  
These kids you can't unfurl  
Make it a point to move aside  
Watch your backs for the zipper girlsCH: We're the zipper kids  
Out to brave the night  
We're the zipper kids  
Ain't it a beautiful sight  
We're the zipper kids  
Wanna start a riot  
We're the zipper kids  
Ain't it a beautiful sightRight up there in front of the stage  
You'll find the zipper boys  
They're pissed, they're proud  
Stay outta their way  
They're dancing to the punk rock noise  
Livin' real life from day to day  
These kids you can't exploit  
Make it a point to move aside  
Watch your backs for the zipper boys
