

Barrel House Blues

Johnny Otis

I wonder who's kissing her now
I wonder who's teaching her how
I wonder who's looking into her eyes
Breathing sighs and telling lies Wonder who's buying the wine
The lips that I used to call mine
I wonder if she ever tells him of me
I wonder who's kissing her now I wonder who's buying the wine
The lips that I used to call mine
I wonder if she ever tells him of me
I wonder, I wonder, pretty baby how I wonder
I wonder who's kissing you now
