

# Playing to Win

## Little River Band

If you want me, come and get me  
You don't have a chance if you don't move now  
I'm not waiting any longer  
You know that I'm playing to win this time When you make your move, I won't hesitate  
If you take too long, you could be too late  
This time I'm playing to win If you want me, come and say it  
Don't wait around for another chance  
Make your mind up, make your play  
You should be playing to win this time When you make your move, I won't hesitate  
If you take too long, you could be too late  
This time I'm playing to win All those wasted years, didn't know I was only emotion away  
I got what I wanted from me  
I didn't see it was not what I needed  
Well, I was a fool This time I'm playing to win If you want me, come and get me  
You don't have a chance if you don't move now  
I'm not waiting any longer  
You know that I'm playing to win this time When you make your move, I won't hesitate  
If you take too long, you could be too late  
This time I'm playing to win When you make your move, I won't hesitate  
If you take too long, you could be too late  
This time I'm playing to win This time I'm playing to win  
You know that I'm [Incomprehensible] to win  
This time I'm playing to win  
This time I'm playing to win
