We are conquerors, we overcome  
The blood of the Lamb makes us victorious  
We are conquerors, we overcome  
The blood of the Lamb makes us victorious  
We are conquerors, we overcome  
The blood of the Lamb makes us victorious  
We are conquerors, we overcome  
The blood of the Lamb makes us conquerors, conquerors  
We shall live by our testimony  
Live by the word of our Savior  
Live to declare His goodness  
Live, live  
We shall live by our testimony  
Live by the word of our Savior  
Live to declare His goodness  
Live, live  
We shall live by our testimony  
Live by the word of our Savior  
Live to declare to the nations  
Better days are here  
Better days are here  
No more living in a world of fear  
Better days are here  
We declare it today, declare it today  
Better days are here  
No more living in a world of fear  
Better days are here  
We declare it today, declare it today  
Better days are here  
No more living in a world of fear  
Better days are here  
We declare it today, declare it today  
Better days are here  
No more living in a world of fear  
Better days are here

We declare it today, declare it today

We declare, we declare

We declare, we declare

We declare, we declare

We declare, we declare

We declare, we declare

We declare, we declare

We declare, we declare

We declare, we declare

We declare, we declare

We declare, we declare

We declare, we declare

We declare, we declare

Better days are here

No more living in a world of fear

Better days are here

We declare it today, declare it today

Better days
