

# Band Of Gold

**Belinda Carlisle**

Now that you've gone  
All that's left is a band of gold  
All that's left are the dreams I hold  
Band of gold and the memories of what love could be  
If you were still here with me  
You took me from the shelter of my mother  
I have never known or loved another  
We kissed after taking vows  
That night on our honeymoon  
We stayed in separate rooms  
I wait in the darkness of my lonely room  
Filled with sadness filled with gloom  
Hoping soon that you'll walk back through that door  
And love me like you tried before  
Now that you've gone  
All that's left is a band of gold  
All that's left are the dreams I hold  
Band of gold and memories of what love could be  
If you were still here with me  
Memories love could be  
You were here with me  
Don't you know that I wait  
In the darkness of my lonely room  
Filled with sadness, filled with gloom  
Hoping soon that you'll walk back through that door  
And love me like you tried before  
Since you've been gone  
All that's left is a band of gold  
All that's left are the dreams I hold  
Band of gold and the memories of what love could be  
If you were still here with me  
I wait in the darkness of my lonely room  
Filled with sadness, filled with gloom  
Hoping soon that you'll walk back through that door  
And love me like you tried before
