

Eet

Regina Spektor

It's like forgetting the words to your favorite song
You can't believe it, you were always singing along
It was so easy and the words so sweet
You can't remember, you try to feel the beatEet, eet, eet
Eet, eet, eetYou spend half of your life trying to fall behind
You're using your headphones to drown out your mind
It was so easy and the words so sweet
You can't remember, you try to move your feetEet, eet, eet
Eet, eet, eetSomeone's deciding whether or not to steal
He opens a window just to feel the chill
He hears that outside a small boy just started to cry
'Cause it's his turn, but his brother won't let him tryIt's like forgetting the words to your favorite song
You can't believe it, you were always singing along
It was so easy and the words so sweet
You can't remember, you try to move your feetIt was so easy and the words so sweet
You can't remember, you try to feel the beat
