

# Deadhead

## The Devin Townsend Band

I got a royal flush  
I gotta ten bob  
In my pocket for luck Just another crush  
I got my head read  
In the shed once again, my friend Inside, outside, upside, downside  
See my face wanna take me home  
I missed your sister, shake your pistol  
Hear my voice on your telephone Just another lush  
I got my ten green bottles  
In my pocket for luck In another rut  
Get your deadhead  
In the shed once again, my friend Inside, outside, upside, downside  
See my face wanna take me home  
I missed your sister, shake your pistol  
Hear my voice on your telephone Inside, outside, upside, downside  
See my face wanna take me home  
I missed your sister, shake your pistol  
Hear my voice on your telephone Cigarette burning, got an opal ring  
Dirty magazine turning, you're a bird who sings  
Sleeping on a shag pile, sleeping on me  
Sleeping like an Angel watching over me
