

Ballad of the Hard Man

Thin Lizzy

I've been mixed up, cut up
So sit down and shut up
'Cause I'm a hard man
I was hung up, strung out
But I can't take no more junk
Even if you canIt will beat ya, cheat ya
Deceit ya, defeat yaNo rocker, bopper
Show stealin' teeny bopper
Gonna get a thing from him
No fat, black
Back scratchin' pussy cat
Gonna get her claws on himWell, they got a scheme to sell you kids
The silver screens and glossy magazines
And I'm a hard manBetter hold back, good times
Strung out, hung up
Strong out, picked on
Ripped off, kicked out
Spit on, set up, ripped off
Locked up, sent down
Maybe you're as hard as I amNo rocker, bopper
Show stealin' teeny bopper
Gonna get a thing from me
No fat, black
Back scratchin' pussy cat
Gonna get her claws on meJust blow me away
