Garden

Pearl Jam

She don't wander in
Don't wander in here, she
She don't wander in here
Don't wander in hereThe direction of the eye, so misleading
The defection of the soul, nauseously quick
I don't question our existence
I just question our modern needsShe don't wander in
Don't wander in here, she
She don't wander in hereI will walk with my hands bound
I will walk with my face down
I will walk with my shadow flag
Into your garden, garden of stone, yeahAfter all is done and we're still alone
I won't be takenYet I'll go with my hands bound
I will walk with my face down
I will walk with my shadow flag
Into your garden, garden of stoneI don't show, I don't share
I don't need, yeah
What you have to give, yeahOoo, I will walk with my hands bound
I will walk with my face down
I will walk with my shadow flag
Into your garden, garden ohI will walk with my hands bound
I will walk into your garden, garden of stoneI don't know, I don't care
I don't need you for me to live
