

I Can't Take It No More

[John Fogerty](#)

I can't take it no more
I can't take it no more
Sick and tired of your dirty little war
I can't take it no more
You know you lied about the casualty
You know you lied about the WMD
You know you lied about the detainees
All over this world
Stop talking about staying the course
You keep a-beating that old dead horse
You know you lied about how we went to war
I can't take it no more
I can't take
I can't take it

I bet you never saw the old schoolyard
I bet you never saw the national guard
Your daddy wrote a check and there you are
Another fortunate son
I can't take it no more
I can't take it no more
I'm sick and tired of your dirty little war
I can't take it no more
I can't take it no more
I can't take it no more
I'm sick and tired of your dirty little war
I can't take it no more
