Well I'm about to get up sick
From watchin my t.v.
Been checkin' out the news
Until my eyeballs fail to see
I mean to say that every day
Is just another rotten mess
And when it's gonna change, my friend
Is anybody's guess
So I'm watching and I'm waiting
Hopin' for the best
Even think I go to praying
Every time I hear them sayin'
That there's no way to delay
That trouble comin' everyday
No way to delay
That trouble comin' every day
Wednesday I watched the riot
I've seen the cops out on the street
Watch them throwing rocks and stuff and choking in the heat
Listen to reports
About the whiskey passin' round
Seen the smoke and fire
And the market burnin' down
Watched while everybody on his street would take a turn
They stomp and smash and bash and crash and slash and bust 'n burn
And I'm watching and I'm waitin hopin' for the best
Even think I go to prayin'
Every time I hear em sayin'
That there's no way to delay

That trouble comin' every day
 No way to delay
That trouble comin' everyday
 You can cool it
 You can heat it
 Cause baby I don't need it
 Take your t.v. tube and eat it
And all that phony stuff on sports
And all those unconfirmed reports

You know I watch that rotten box
 Until my head begin to hurt
 From checkin' out the way
The newsmen say they get the dirt
Before the guys on channel so and so
 And further they assert
 That any show they litter up
They bring you news if it comes up
They say that if the place blows up
 They will be the first to tell
Cause the boys they got downtown
 Working hard and doin swell
 And if anybody gets the news
 Before it hits the streets
They say that no one blams it faster
 Their coverage can't be beat
 And if another woman driver
 Gets machine gunned from her seat
They'll send some joker with a brownie
 And youll see it all complete
So I'm watching and I'm waiting
 Hopin for the best
 Even think I go to praying
Every time I hear them saying
 That there's no way to delay
 That trouble comin' everyday
 No way to delay
 That trouble comin' every day
 Well I've seen the fires burnin'
 And the local people turnin'
 All the merchants and the shops
Who use to sell their brooms and mops
 And every other household item
Watch the mob just turn and bite em
 And they say it serve them right

Because a few of them are white
And it's the same across the nation
Black and white discrimination
Yell and you can understand me
And all that other crap they hand me
In the papers and t.v.
And all that mass stupidity
That seems to grow more everyday
These time of year some asshole say
He wants to go and do you in
Cause the color of your skin
Just don't appeal to him
No matter if it's black or white
Because he's out for blood tonight
