## Black Sabbath

Finished with my woman 'cause she couldn't help me with my mind  
People think I'm insane because I am frowning all the time  
All day long I think of things but nothing seems to satisfy  
Think I'll lose my mind if I don't find something to pacify  
Can you help me, occupy my brain? Oh yeah  
I need someone to show me the things in life that I can't find  
I can't see the things that make true happiness, I must be blind  
Make a joke and I will sigh and you will laugh  
and I will cry  
Happiness I cannot feel and love to me is so unreal  
And so as you hear these words telling you now of my state  
I tell you to enjoy life I wish I could but it's too late
