

Give Me the Reason

Luther Vandross

What's there to say, there's not much to talk about
And whatever happened to all of the love that we vowed
Yes, it's true
And there's nothing new you can say Give me the reason to want you back
Why should I love you again?
Do you know? Tell me how
How to forgive and forget? Give me the reason to love you now
It's been a mighty long time
And the love that used to be
Ended the day you walked out
Never knew I'd ever be
Standing a love and outside with no one to love I was secure and so glad there was you to love
What in the world would I ever do without us?
But it's getting clear
That I have to get over you Give me the reason to want you back
And why should I love you again?
Do you know? Tell me how
How to forgive and forget? Give me the reason to love you now
It's been a mighty long time
And the love that used to be
Ended the day you walked out
Never knew I'd ever be
Standing a love and outside with no one to love No one, no one to love
No one, no one to love
No one, no one to love
No one, no one to love Give me the reason to want you back
Why should I love you again?
Do you know? Tell me how
How to forgive and forget? Give me the reason to love you now
It's been a mighty long time
And the love that used to be
Ended the day you walked out Give me the reason
To love you, girl, to love you, girl
To love you, girl, to love you, girl
To love you, girl, to love you, girl Give me the reason
To love you, girl, to love you, girl
To love you, girl, to love you, girl
To love you, girl, to love you, girl
To love you, girl

To love you, girl
