Wonderful Baby

Don Mclean

Wonderful baby livin' on love
The sandman says maybe he'll take you above
Up where the girls fly on ribbons and bows
Where babies float by just counting their toes
Wonderful baby nothin' but new
The world has gone crazy, I'm glad I'm not you
At the beginning or is it the end?
It goes in and comes out and starts over again
Wonderful baby livin' on love
The sandman says maybe he'll take you above
Up where the girls fly on ribbons and bows
Where babies float by just counting their toes
Wonderful baby I'll watch while you grow

If I knew the future you'd be first to know
But I don't know nothin' of what life's about
Just as long as you live, you'll never find out
Wonderful baby, nothin' to fear
Love whom you will, but doubt what you hear
They'll whisper sweet things and make untrue
So be good to yourself, that's all you can do
You're wonderful baby, livin' on love
The sandman says maybe he'll take you above
Up where the girls fly on ribbons and bows
Where babies float by just counting their toes
Where babies float by just counting their toes
