Pilot

Faktion

I want to be a pilot
Sail across the air
Floating through the aftermath of dreams I never shared
Now I see you
Standing in my dreams
And yet I think about the place I want to beChorus:
And it eats you up inside
But you can be anything that you want to be
I won't let it eat you up inside
Cause you can see anything that you want to seeI try to be the writer
Whose stories you will read
But you don't care to be on the same level as me
Now I see you
Standing in my dreams
And still I think about the place I want to beChorus:
And it eats me up inside
But I can be anything that I want to be
I won't let it eat me up inside
I can see anything that I want to seeBridge:
You can never see
What it means to me
You can never see inside my dreams
When you're watching me
And I'm stumbling
I see you smiling
You could never be
Just a memory
I'll always keep you by my side
What I have to see
Is a life that's free
Why don't you let me dream?Repeat ChorusRepeat Bridge
