With Every Heartbeat

Kleerup

Maybe we can make it alright
We could make it better sometime
Maybe we can make it happen baby
We could keep trying but things will never changeSo I dont look back
Still Im dying with every step I take
But I dont look back
Just a little little bit betterGood enough to waste some time
Tell me, would it make you happy baby?
We could keep trying but things will never changeSo I dont look back
Still Im dying with every step I take
But I dont look back
We could keep trying but things will never changeSo I dont look back
Still Im dying with every step I take
But I dont look backAnd it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeatAnd it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
