Spare Change

Born Liars

And it all comes down to hope
Came down on me
I'm begging you now
I'm begging you, pleaseComes down to hope
Came down on meSomeday spare change
Won't feel the same
Stand up real tall
And wait to be calledThoughts so strong
I feel them when you're gone
Oh, thoughts so strong
I feel them when you're goneAnd these old walks in the park
And meetings after dark
A sore sight for sore eyes
And wild and free, you've got no place to beOh, comes down to hope
Came down on me
