

# Kissed

## Pansy Division

If you want to get it on  
If you want to turn me on  
Well it's like this  
First thing I need is a kiss  
And if you want me to come on strong  
If you want to get me long  
Well you're gonna miss  
Unless you're ready with a kiss  
Give me kiss after kiss  
One after another  
Don't kiss me like you're kissing your mother  
Taste my tongue, do it with passion  
To get to the point where we feel cum splashin'  
You want below the belt  
Honey we'll get there yet  
To reach that state of bliss  
Start it with a kiss kiss kiss  
And if it's practice you need  
You can practice all over me  
Man, you got such luscious lips  
Give them the pleasure of a kiss  
Disinterested kisses won't get my attention  
Like kissing someone with a throat infection  
When you kiss with enthusiasm  
You're well on your way to an intense orgasm  
If you want to get it on  
If you want to turn me on  
Well it's like this  
The first thing I need is a kiss
