Liberty

Saint Saviour

Tempest tost
Tempers lost
Sail to me, liberty
Over seas
Mountain tops
Fly to me, liberty

It's a question for you
It's a question for me
Are we really free?
We all build our own walls
One way or another we will do our time
No man is an island
One way or another we all stand in line

Tears I shed, innocently led
All mistakes are made, and replayed
Like history, who the hell are we
At liberty, liberty?

Dip it in gold
Lo and behold
What do you see
Liberty
