Out In the Cold

Judas Priest

I'm layin' awake at nights
I can't get you out of my mind
All I can hear is my heartbeat
And the voice in the dark of some kindWhere are you now?
The fears are comin' back to me once again
Oh, I wish you were here
Takin' good care of me
I want you
I feel as though I'm out in the coldOut in the cold
Hear me calling, cold
Out in the cold
Please rescue meI know it was you I hurt
I didn't mean to hurt you
So much to forgive and forget
Can't take anymore of this hurt
On no, oh no
There's so many things I regretWhere are you now?
The fears are comin' back to me once again
Oh, I wish you were here
Takin' good care of me
I want you
I feel as though I'm out in the coldShut me out
Out in the cold
Where are you now?
Hear me calling
I need you I'm so cold
Can't you hear my heartbeat
Out in the cold
Please rescue meGive me a chance baby
Ah there's nothing I wouldn't do to make it alright
Just one more chance baby
I need all your lovin' tonightWhere are you now?
Fears are comin' back to me once again
Oh, I wish you were here
Takin' good care of me
I want you
I feel as though I'm out in the coldShut me out
Out in the cold
Where are you now?

Hear me calling
I need you I'm so cold
Can't you hear my heartbeat
Out in the cold
Please rescue meWhy don't you rescue me?
Cold
Shut me out
Out in the cold
Where are you now?
Hear me calling
I need you I'm so cold
Can't you hear my heartbeat
Out in the cold
Please rescue meWhy don't you rescue me?
I'm so cold
Shut me out
Out in the cold
Where are you now?
Hear me calling
I need you I'm so cold
Can't you hear my heartbeat
Out in the cold
Please rescue me
