Who You Gonna Run To

Atlanta Rhythm Section

I'm gonna haunt you like a ghost in the dark
I'm gonna haunt you for breaking my heart
I'm gonna track you like a thief in the night
I'm gonna stick around and seeWho you gonna run to when you're through walkin' on meI'm gonna spite you till my dyin' day
I'm gonna fight you every inch of the way, yeah
Don't ever turn your back and think that I'm gone
I'll always be around to seeWho you gonna run to when you're through walkin' on me?
Tell me, who you gonna run to when you're through walkin' on me?I ain't no fool
[Incomprehensible]I'm gonna haunt you like a ghost in the dark
I'm gonna get you for breaking my heart
I'll tell the world what a devil you are
I'll get you back for gettin' meBaby, who you gonna run to when you're through walkin' on me?
Tell me, who you gonna run to when you're through walkin' on me?
Who'll your next fool be, who you gonna run to
