

# May I Suggest

## Red Molly

May I suggest  
May I suggest to you  
May I suggest this is the best part of of your life

May I suggest  
this time is blessed for you  
this time is blessed and shining almost blinding bright  
just turn your head  
and youâ€™ll begin to see  
the thousand reasons that were just beyond your sight

the reasons why  
why I suggest to you  
why I suggest this is the best part of your life

there is a world  
thatâ€™s been addressed to you  
addressed to you, intended only for your eyes  
a secret world  
a treasure chest to you  
of private scenes and brilliant dreams that mesmerize

a tender loverâ€™s smile  
a tiny babyâ€™s hands  
the million stars that fill the turning sky at night

Oh I suggest  
Yes I suggest to you  
Yes I suggest this is the best part of your life

There is a hope  
thatâ€™s been expressed in you  
the hope of seven generations, maybe more  
this is the fate  
that they invest in you  
itâ€™s that youâ€™ll do one better that was done before

inside you know  
inside you understand

inside you know whatâ€™s yours to finally set right

and i suggest  
and i suggest to you  
and i suggest this is the best part of your life

this is a song  
comes from the west to you  
comes from the west, comes from the slowly setting sun  
this is a song  
with a request of you  
to see how very short the endless days will run  
and when theyâ€™re gone  
and when the dark descends  
weâ€™d give anything for one more hour of life

may i suggest  
this is best part of your life
