Gabriel

Beto Guedes

Well, I guess I gotta go now
Saying farewell until the next time
But I know we'll meet againSeem so early to be leaving
Feel so tired just want to sleep now
Fade awayGabriel
Am I finished?
Trapped inside
You got me in it
Is it over in a minute?
GabrielGabriel
Am I finished?
Trapped inside
You got me in it
Is it over in a minute?
GabrielHear them in the distance
Singing so softly
Oh, so peaceful
Calling me onBeing drawn in ever closer
Down towards the cool, calm river
I can hear their songGabriel
Am I finished?
Trapped inside
You got me in it
Is it over in a minute?
GabrielGabriel
Am I finished?
Trapped inside
You got me in it
Is it over in a minute?
Gabriel
