I Won't Move

Abigail Hamilton

Cho
I won't go till you bless me. I'm staying right here till I hear from you. My soul is thirsty and I am broken. Only you can make me whole again.Only you can make me whole again.

Vs1
Lord I dont know where to begin
Its this flesh the flesh I am in
I try to walk away so many times
But it seems i'm bound by this sinful mind

I am tired lord of been defeated
So i'm making an alter here at this place
Im desperate for you to see you face
I need your mercy and your amazing grace

Vs 2
Now that am in your presence
Now that ive got your attention
Could you make my heart
Change my thoughts, heal my pain
Lord am holding on to you
Theres a blessings i need from you
There is no way there is no how am letting you go right now

(If it takes all day, if it takes all night
Im in the fight , the fight for life) "rept 2"
Lord i want to survive "rept 2 everything"
