# Avalon

## Saga

A tree in a stream floating upside down
A boat with a hole spinning round and round
There's a bird on a string staring up at the clouds
And a rat with a snake heading undergroundStanding on top of the Avebury Hill
A circle appears, the pathway is still
The egg stone is waiting there right at the top
Can you see a maze that time has forgot?Standing on Avalon
My thoughts are in the way
Yesterday, so far away
The hills of Avalon
Deep in the waves where the ocean hides
There's a reflection from an auburn sky
The rainbows unfold with the light of the sun
The vision, serenity, has just begunI rest in the shadows where the air is clear
I hear of a silence that's drawing near
I search the horizon that lives in a dream
An innocent world awaits for meAm I there? No, maybe not
I'm sure there's a way but I could be wrong
There's a road to travel on
Way up in the hills of Avalon
Am I there? No, maybe not
I'm sure there's a way but I could be wrong
There's a road to travel on
Way up in the hills of Avalon
Am I there? No, maybe not
I'm sure there's a way but I could be wrong
There's a road to travel on
Way up in the hills of Avalon, ooohWay up in the hills of Avalon
