We Are the Ones

Dee Snider

We are the ones!
We are the ones you are taught to hate
We are the hearts that were born to breakWe live our lives from all your lies
We wear our scars like a badge of pride
We are the ones!
Have you ever lived in fear
It's our normal atmosphere
No one dares to enter here
No one enters here
We are the first, we are the free, we are the suffering!
We are the ones, who are been taught to fight
We are the last to hide
When everyone else helps us out
We are the ones..Have you ever been afraid
We live in fear everyday
Never taught to have a dream
Never given anything (we are the ones)
We are the ones!
We are the ones who test our faith
We are the ones who never wait!
We are the ones who are first to fall
Live like we had it all
It's the same storyWe are the first, we are the free, we are the suffering!
We are the ones, who are been taught to fight
We are the last to hide
We are the first, we are the free, we are the suffering!
When everyone else helps us out
We are the ones!
