

World, Hold On (Lee Kessler Remix)

Bob Sinclar

Oh yeah, yeah

Open up your heart, what do you feel

Open up your heart, what do you feel, is real
The big bang may be a million years away

But I can't think of a better time to say
World, hold on

Instead of messing with our future, open up inside

World, hold on

Wonder you will have to answer to the children of the sky
World, hold on

Instead of messing with our future

Tell me no more lies

World, hold on

Wonder you will have to answer to the children of the sky
Children of the sky

Children of the sky
Look inside, you'll find a deeper love

The kind that only comes from high above
If you ever meet your inner child, don't cry

Tell them everything is gonna be alright
World, hold on

Instead of messing with our future, open up inside

World, hold on

Wonder you will have to answer to the children of the sky
World, hold on

Come one, everybody in the universe, come on

World, hold on

Wonder you will have to answer to the children of the sky
Children of the sky, alright

Open up your heart

Tell me, how do you feel
Listen now, tell them everything, right here right now

Alright, everybody, here in the world

You are all the children, alright
Together now, unite, and fight, oh

Open up you heart, no, peace, love for everyone
Oh, no no no no no, alright, to the four corners of the world

Sing it loud, sing it loud, sing it loud loud loud

world hold on
sing it loud, sing it proud

everybody, yeah yeah yeah yeah, oh

Don't take no for an answer, no no, not today
Right here, spread love, everybody join together now

One race, one heart, love and unity, everybody sing

yeah!
World, hold on

Come one, everybody in the universe, come on

World, hold on

Wonder you will have to answer to the children of the sky
World, hold on

Come one, everybody in the universe, come on

World, hold on

Wonder you will have to answer to the children of the sky
