Nothing to Say

When Karma Was King

I donâ€™t understand
You donâ€™t feel the same
But I canâ€™t go on
Trying to hide the pain

Chorus:
How could I fall so hard and you just walk away?
How could I try so hard and you not want to stay?
How could I not let go and you have nothing to say?
How could I have loved you anyway?

Timeâ€™s just laughing at me now
I donâ€™t want to fight
Iâ€™m here rhyming still
No reason in sight
