Rest Your Love On Me

Conway Twitty

Maybe you don't know me any more than I know you
And I wouldn't blame you if you walked away
I've been watching you all evening with those teardrops in your eyes
And it touches me much more that I can sayYou know I hate to think that someone
Could have hurt someone like you
And if I was him I'd be right by your sideLay your troubles on my shoulder
Put your worries in my pocket
Rest your love on me a while
Lay your troubles on my shoulder
Put your worries in my pocket
Rest your love on me a whileSaw you in the corner from the moment I walked in
Saw your lonely face across the room
No I won't forget you and the way it could have been
Why'd you have to leave so soonYou know I hate to think there's someone
You loved instead of me
'Cause at times like this
I'd be right by your sideLay your troubles on my shoulder
Put your worries in my pocket
Rest your love on me a while
Lay your troubles on my shoulder
Put your worries in my pocket
Rest your love on me a whileLay your troubles on my shoulder
Put your worries in my pocket
Rest your love on me a while
Lay your troubles on my shoulder
Put your worries in my pocket
Rest your love on me a while
