

# Don't Say It's Love (12'' Extended Remix)

## Johnny Hates Jazz

We've had it good for years now  
Don't let the change  
We've never needed answers  
To find the way Now all of a sudden  
Like waves on a beach  
Love has come crashing down  
The truth has been lost and found (Chorus)  
Don't say it's love, baby  
'Cos you are to me  
What you want to be  
Don't say it's love, baby  
If our friendship is to survive  
Don't say it's love We've shared so many secrets  
Now kiss and tell  
You make one move to love me  
And it's farewell 'Cos somewhere there's someone  
Who's waiting for you  
To love you more than I could  
Your heart was misunderstood (Chorus) Don't be a fool  
You'll be alone in your confusion  
If loving me is an illusion  
Then let it go  
Oh no no no no Now I never counted  
On ending this way  
I always trusted fate  
But if we are no too late (Chorus)... All you do is say it's love
