Luni Coleone

[Chorus:]
I thought you knew that I'm a gangsta bitch
Fall, fallin in love
Let's just keep it on the unda trick
All I want to do is fuck
[Woman moaning]
I thought you knew that I'm a gangsta bitch
Fall, fallin in love
Let's just keep it on the unda trick
All I want to do is fuck

Bitch I, though you knew that I'm a gangsta ho,
