

# We Write The Wrong

## The Early November

I tried but why can't I  
You can't see what I see  
From you it's you In all my life  
You find the wrong  
But I write it off  
'Cause you write the wrong Wait and see it all waiting You can't see,  
You're never gonna see  
When you're not listening  
To your own voice In all my life  
You find the wrong  
But I write it off  
'Cause you write the wrong We're turning down In all my life  
You find the wrong  
But I write it off  
'Cause you write the wrong You write the wrong (11x)
