Hooray for Hollywood

Nancy Sinatra

Advisory - the following lyrics contain explicit language:

Hooray for Hollywood
That screwy, ballyhooed Hollywood
Where any office boy or young mechanic
Can be a panic, with just a good looking pan
And any barmaid can be a star maid
If she dances with or without a fanHooray for Hollywood
Where you're terrific, if you're even good
Where anyone at all from TV's Lassie
To Monroe's chassis, is equally understood
Go out and try your luck, you might be Donald Duck
Hooray for HollywoodHooray for Hollywood
That phony, super coney Hollywood
They come from Chillicothes and Padukahs
With their bazookas to get their names up in lights
All armed with photos from local rotos
With their hair in ribbons and legs in tightsHooray for Hollywood
You may be homely in your neighborhood
But if you think that you can an actor
See Mr. Factor, he'd make a monkey look good
Within a half an hour, you'll look like Tyrone Power
Hooray for Hollywood
