

# Don't Let It End (Reprise)

Styx

What can I do pictures of you still make me cry  
Trying to live without your love, it's so hard to do  
Some nights I'll wake up I'll look at your pillow  
Hoping that I'll see you there  
But I get up each day  
Not much to say I've nowhere to go  
Loneliness fills me up inside 'cause I'm missing you  
So if you'll give us a chance to remember the love we had once together  
Wait and see time is all that we really need  
I'm praying you won't say no, I mean to tell you  
Don't let it end  
Baby we could have so much more  
Don't let it end  
Honey please don't walk out that door  
I'm telling you baby, I made my mistakes  
But I'll make you this promise to do what it takes  
I'll be there to protect you and hold you tight

You got my lovin' baby every single night  
Don't let it end  
I'm begging you, don't let it end this way  
Don't let it end  
I'm begging you, don't let it end this way  
Don't let it end  
Baby we could have so much more  
Don't let it end  
Honey please don't walk out that door  
Don't let it end  
I'm begging you, don't let it end this way  
Don't let it end  
I'm begging you, don't let it end this way, no, no, no  
No, no, no  
What will I do if you say we're through?  
I need you to stay, honey don't let it end this way
