

# State Oppression

## Kreator

State Oppression they keep filling us, they keep suffocating us  
they're shooting, torturing, killing us  
they're shooting, torturing, killing us state oppression, state oppression  
state oppression, state oppression repression's already on every corner  
the bastards, the motherfuckers, are everywhere  
the bastards, the motherfuckers, are everywhere state oppression, state oppression  
state oppression, state oppression state oppression, state oppression  
state oppression, state oppression  
state oppression, state oppression  
state oppression, state oppression  
state
