Stuck Like This

Jhene

[Jhene]Unfortunatly me and you could not be
more unhappy with each other its true
but I..I don't understand
what makes such a nice guy
and so cold and start acting so funny with me uh
if I had a dime for all of the times
that I've tried to call you
but you didn't answer the phone
I would be a rich girl but lonely
since you always stay on one stay on one
[Chorus]Damn I just don't know what it is
had got me stuck like this
st st stuck like this stuck like this
damn it feels like I'm dieing
I can't stop crying
what is it that's got me stuck like this
[Jhene]For some reason
I can't get sit this script that you got on my mind
you stay making me weak
why you treat me so mean
sometimes you use to be so sweet to me
I can't remember the last
